it you can try it star-light gets in your heart.

There's no escaping love  
Once a gentle breeze (once a gentle breeze)  
Sweeps its spell upon your heart  
And no matter what you think  
It won't be too long  
'Till you're in my arms  
Underneath the starlight, starlight  
We'll be lost in the rhythm so right  
It will steal your heart tonight
